Purpose:
The purpose of the Colchester Official Map is to help guide future development of certain public improvements that are likely to be needed to protect the health, safety and general welfare of the citizens of Colchester. Public improvements shown on the map include rights-of-way for streets, proposed separated paths, and other public facilities. This Official Map is authorized pursuant to 24 V.S.A., Section 4401(b)(3).

Notes:
a) The location of the proposed public facilities (including roads and paths) as shown on this map are approximate. The exact location of the proposed public facilities will be determined at a later date based on survey and other more accurate information.

b) Parcel line data is provided for informational purposes only. The Town reserves the right to update the Official Map with new parcel data as it becomes available.

c) All proposed roads, including the Lakeshore Boulevard Bypass, shall be as per the Town of Colchester Public Works Specifications and Standards as amended from time to time.

d) All public and private roads, both proposed and existing, require sidewalks per the Town of Colchester Public Works Specifications and Standards as amended from time to time. Pedestrian connections between out-of-lots and otherwise isolated neighborhoods are also required. Some exceptions may be made for limited access highways.

e) Parks depicted on the Official Map include parks owned and/or maintained by entities other than the Town of Colchester (i.e. State of Vermont and Winooka Valley Park District parks).
